As Snoopy would put it, "It was a dark and stormy night." These photos taken just before the high tide of last Wednesday night speak for themselves. The southeastern wind pushed the tide high up and over the wharves and punished the adjacent seawalls. There was some damage to the small craft between Makuch and the long wharves and some pulling of moorings until, just after high tide, suddenly the wind quit and calm was restored.

RUBBISH PICKUP

The Mattapoisett residents who were very understandably upset last week when the rubbish that they put at the curb was not picked up, should be advised that rubbish should be out for pick-up by 7:00 a.m. Due to pressure from the Massachusetts authorities the rubbish collected must be covered the same day. In order to accomplish this, the pick-up must be finished earlier in the day. The rubbish collection concern has had to start earlier and with more equipment, which was done on Thursday, August 25th, with no advance notice to the people who put their rubbish on the curb and were left wondering why nothing happened to it. In the future, it will be advisable to have the trash out by 7:00 a.m. in order to assure collection.

Presto Friends:

You want to buy an emerald or another colored stone. But let's stick to emerald as an example.

Today, as in any industry, there are people who specialize in one particular item and can enhance or mask a gem so that what is there is not seen. For example, an emerald, because of its rarity and the expense of mining, is often masked. How is this done? Some of the ways are oiling, impregnation with plastic, and so on. Next, there are man-grown synthetics that have all the physical properties of Mother Nature-made emeralds including flaws.

So if you are going to purchase a gemstone, what do you do? Where do you go?

Go to a jeweler who has completed the Gemological Institute of America's gem identification course and has a time-honored reputation.

This three bedroom home needs some structural work. There's lots of potential, though. Nice area with over 1/2 acre of land. Call for details. Offered at $117,000.

How about an eight room Colonial with 4 bedrooms, fireplaced living room, formal dining room. Three bedrooms up and one down. This is a great area. House needs some T.L.C. but it's priced accordingly at $130,000.

New to the market- 4 bedroom Colonial in nice neighborhood. Features include stone fireplaced living room, family room, dining room with hardwood floors. Priced to sell at $150,000.

Income Property- Unique opportunity to own income property with water view. Main house is a six room cottage with 2-3 bedrooms and 2 baths with 1 car garage. Rear cottage is three rooms, 1 bedroom, 1 bath. Best of all, this is a 3.25 acre parcel with lots of frontage along busy Route 6. Interested? I thought you'd be. Priced to move at $175,000.

Marsh waterfront, Crescent Beach. Charming 3 bedroom summer cottage with all of the views! $225,000.

Beautiful 2 year old Cape offers 9 spacious rooms. There are 4/5 bedrooms, 2 full baths, great country kitchen, large living room and more. Kitchen features center island, wood paneling and beamed ceiling, 2 sets of French doors to exterior deck. Terrific area. Call today for your exclusive showing. $249,900.

New Gambrel - Excellent construction with hardwood floors throughout. Kitchen includes range and dishwasher and opens to breakfast room with cathedral ceiling and fireplace. Sliders lead to large deck. The den has a fireplace also. On the 1st floor is a formal living/dining room and 1/2 bath. 2 space garage under. All on about an acre of land. $262,000.

We offer an oversized Cape with full dormer on a dead-end street. There are 4 bedrooms, 2 full baths, den, living room with fireplace, dining room with sliders to 24 x 16 deck, kitchen with all the built-ins plus a dinette. There is a basement family room with fireplace and recreation area plus a nicely furnished office. Attractive lot with lilacs, holly, birch and pines. May we show this nicely maintained home today? $249,000.

Special is the word! Immaculately maintained 10-room single level home with 4 bedrooms - including master suite with sliders to deck and a splash in the 16x30 refreshing pool. Spectacular kitchen with oak cabinets and brass faucets gives a view of the 5 acres and tennis court. A must see. $495,000.

Waterfront- If you are looking for views, this is it! 270° views from Brandt Island to Falmouth. Great beach. The home has 4 rooms and large 2 sided deck. $500,000.

Town Won't Purchase Nunes Land

SPECIAL TOWN MEETING - AUGUST 23, 1988
by VIRGINIA MORGAN

At last Tuesday's Special Town Meeting at Old Rochester Regional High School voters failed to take advantage of the opportunity to purchase the 242 acres of Manuel R. Nunes, Jr. property on Brandt Island Road. The vote was 186 to 104 to indefinitely postpone. There were 330 voters present, with a considerable number of non-voters.

Developer Mr. Joseph Keller has won the first round in obtaining the championship golf course he wants to build on the property, in addition to about 125 house lots and a clubhouse. The next step for the Keller Company is to obtain water and sewer lines to the land. The purchase price for the land is $7.5 million.

In a surprise statement, Selectman Bernard F. Talty announced the Keller Company of Hingham has agreed to

give the town a gift of $100,000 to pay the salary and expenses of a Town Planner for as long as the money lasts. The amount requested in Article 4 of the warrant was for $20,000 from the town, and to receive a matching grant from the state for a total of $40,000. Town Counsel Donald J. Fleming replied to questions, answering, "No, the town meeting action is not necessary to accept the gift of $100,000"; and "Yes, there will be accountability for the funds which will be kept in a separate account for this purpose." Selectman Talty said the state had backed down on its offer to fund half of the planner's salary.

When Article 1 on the Nunes land was opened for discussion, Selectmen Chairman William F. Hubbard gave his opinion that the request for the town to exercise its right under State Chapter 61B to purchase the land should be indefinitely postponed. The Chairman gave a brief summary of where the town stands now in its capital expenditures - present and anticipated: the original sewer project, $335,000; additional capacity sewer project, $450,000; Police Station, $1.5 million; two fire vehicles, $195,000; landfill capping, $200,000; SEMASS yearly cost, $110,000; ORR repairs (not including new construction), $3. million (Mattapoisett's share); wharf structural repairs, $1.5 to $2. million; North Street sewer, $450,000; new well site, substantial

figure presently being negotiated; and a loader, $150,000.

Chairman Hubbard explained the present tax rate of $8.18 was increased $1.22 by voters at the annual town meeting. "If all articles are passed tonight, 38 cents (with out the Nunes property purchase) would be added for a total estimated tax rate of $9.77." (The exact figure would depend on state receipts, Town Accountant Karen Linhares commented after the meeting.) If the $7.5 million is voted the tax rate would be increased by $1.67 per thousand, resulting in an increase of $167. on a $100,000 house, based on the first year of a 20-year bond issue.

Selectman Talty gave a brief background on the Selectmen's first knowledge of the pending land sale in May of this year. "In my opinion, looking at it objectively, it is with great reluctance I ask you voters not to pass the article. If not for the 120-day period to make a decision, we could discuss this further."

Selectman John N. DeCosta said, "There is a need for the expansion of the sewer system and there are areas still in need to be serviced. There may be an opportunity to bring the sewer to the Brandt Island area for people with cesspool trouble. There are other needs for our money. I, too, recommend indefinite postponement."

Management Committee, spoke at length on reasons why the town should take advantage of purchasing the land. "Even though there are no present plans for the land, it is a unique opportunity for future residents of this growing town. My recommendation is the town should borrow the money, negotiate some of the concerns, examine the options with the developer before the special election. There are ways to use the land, such as keeping some for passive recreation, affordable housing, municipal golf course, or sell back part to a developer."

Town Counsel Fleming felt the voters should be made aware of some facts that the town is disputing with the developers. If the town purchased the land for $7.5 million, the town would have to honor agreements with Mr. Nunes and allow him access to two acres he owns in Fairhaven; the right to graze horses, right to cut hay and to erect a barn. "Where I and the developers disagree is that they believe the town should sell back to Mr. Nunes six lots at $31,000 each, and pay a broker's fee of $250,000. The town could be in litigation for these questions," Attorney Fleming said.

Town Counsel also strongly urged voters not to vote one way now and change their vote later and pull the rug out from under the developer. "I do not recommend your putting a gun to the head of the developers. I've never heard of the town holding

Martha Peterson, Roger Thompson and Michael Dahill and Planning Board member William Matthews, all members of the Growth Management Committee, spoke on behalf of purchasing the land for open space, affordable housing and the private sale of some of the land.

Mr. Frank M. Suzan, former Selectman and a friend of Mr. Nunes, spoke on behalf of Mr. Nunes, saying, "Manny bought the land in the 1940s as an investment, now he is getting old and wants to get his estate in order. Manny loves the land dearly and has been generous over the years by letting town groups and the Boy Scouts use the land. Manny liked the proposal of Mr. Keller who promised to keep 50 percent of the land open space." Speaking for Manny, Mr. Suzan said, "Please

Attorney Larry DiCara, representing Mr. Keller, reviewed the developer's proposal and clarified some questions. Mr. Keller commented, "I hear talk about leverage and negotiations; and I feel we have been negotiating. We still have to get a lot of approvals from town boards, both in Mattapoisett and Fairhaven. You have a lot of time to negotiate with us. We're not home free, we want everyone to be happy. We basically agreed with everything the Growth Management Committee suggests except affordable housing. This project will be something everyone will be proud of."

Marion Selectmen's Meeting

AUGUST 23,1988 -by EUNICE MANDUCA
A Community Service of the League of Women Voters

At 7:00 p.m. Olive Harris of the Open Space/Land Bank Committee appeared with Linda Rinta to present those present with a proposal for open space and outdoor recreation goals for the Town of Marion. A map of the town was shown with colored areas to delineate areas under discussion. The Committee thanked Ted Mead for his art work. Tom Crowley informed the Selectmen that the state legislature has voted for the concept of open space. Selectman Loretta Schaefer asked that every effort be made to keep avenues of communication open among all town boards. Linda Rinta asked the Selectmen to give some thought to the proposals and offer suggestions for improvements. She suggested that they plan to have results by the first part of September and the Committee can plan an open meeting for the input of all townspeople by the middle of September.

In a report to Mr. Russell DeBarros, the Selectmen notified him that there is now a hold on the work on Hill, Oak and Green Streets. They were not sure if it was the water lines, gas lines or the pole locations. A suit is pending brought by 10 taxpayers but the Selectmen are not sure of the wording. Selectman John Hoagland explained that the cost of $4000.

Marion Kitchen appeared for a hearing for a beer and wine license. Several persons spoke in opposition and one in favor. The vote came to deny the license.

The Village Post Office Committee with members Jack Cheney, Bruce West and Jan Mendes introduced William Saltonstall who presented a suggestion for developing the Music Hall into the new Village Post Office. With drawings he explained the square foot requirements of the Post Office Department and how the Music Hall could be adapted to answer these requirements. He explained that the measurements were probably not too accurate because he had taken them from the outside of the building but, since time was of the essence, this would

give everyone concerned a good idea of the possibilities of the building. With extensive changes to the interior of the building and largely maintaining the exterior appearance of the structure with a two story addition to the north side the building would offer over 4000 feet of space and would keep the Post Office in the village. With a long term lease at a substantial rental figure from the Post Office Department this location would help maintain the character of the village and certainly protect the public and private interests in the area. Mr. Joseph Zora, Sr. protested that the Committee had overstepped their authority when they went ahead with plans for the Music Hall without consulting the V.F.W. which had been given control of the building many years ago. The Committee members explained that they had met with the V.F.W. group the previous evening to bring them up to date on developments. Joe Zora said that the group which had met with the Committee was not the V.F.W. but was the "Corporation" which was confusing to all. Selectmen Chairman Ted Pratt apologized to Mr. Zora for any slight to the V.F.W. group and agreed that the V.F.W. should be heavily involved in any plans for that venerable old building. The Committee was encouraged to investigate any possible sites in the village and bring additional information to the Selectmen in

the near future. William Saltonstall was thanked for volunteering his services to the Committee and producing architectural drawings on such short notice.

Joe Zora, Sr. brought to the attention of the Selectmen that the area of Hill, Oak and Green Streets is in many violations. He stated that he was involved in the state regulations of #808 and there is a wrong impression on 'grandfathering'. The law states that owners of contiguous lots must combine the area measurements to bring any lots under consideration into compliance with current regulations. The Selectmen agreed that no more building permits should be issued until the roadway confusion is clarified. On such small lots it would be less costly for owners to join the town sewer system at the Point Road location and pay for betterments over a period of years. Chairman Pratt thanked Mr. Zora for his information and urged that he make more of his expertise and experience available to the Board of Selectmen because of his many years of intense involvement in the ongoing government of the town of Marion.

The election warrant was signed. The primary election will be held on September 15th at Sippican School.

Board of Health Chairman Loretta Schaefer announced that the Children's Depot on Front Street will open on September 7th and must have an occupancy permit issued by

the town in order to get a permit to operate a child care center by the State Board. There will be approximately 60 children.

Selectmen were given copies of the material which will be distributed to those attending the Hurricane Preparedness meeting sponsored by the Hurricane Preparedness Committee and the Marion Natural History Society at Tabor Academy's Lyndon Hall, South on September 1st at 7:30 p.m. There was a list of preparations in case of hurricane warnings and a tracking chart to follow any potential storms through the Atlantic. Also, a town map showing the areas flooded in previous storms and areas of severe storm damage. Since many residents are relatively new to Marion they may not be aware that they are located where they could be severely impacted in case of a serious storm. There is concern that Gloria may have lulled people into a false sense of security and they won't take future storm warnings seriously. If residents in a known danger area should refuse to be evacuated they will be warned that emergency personnel will not be asked to mount a rescue effort in the height of the storm and a request will be made for the name of their next of kin. Several eye witnesses will relate their experiences during the storm of 1938 which should give listeners a good idea of what a 'real' storm can accomplish. Because of the many homes now in ve-

Chief Scott has guaranteed that his men will get all volunteers to their assignments.

LETTERS: Because there was no Selectmen's meeting on August 16th there were more letters than usual.

From three residents of the Beverly Yacht Club area, a protest re: the Buzzards Bay Regatta. Writers felt that Marion was too small to hold such a large group and suggested relocating Beverly Yacht Club and its activities. The Selectmen agreed that there were some traffic problems which will be addressed for future affairs but also agreed that, on the whole, three protests were a very small number considering the thousands of people involved. Selectman Pratt announced that the Regatta Committee had received a national award for excellence in the conduct of a Regatta.

From Rosemary Phillips of 290 Delano Road, a concern about the runoff from Delano Road across her property. The Selectmen will view the location and check with Arthur Thompson re drainage plans.

From the Board of Assessors, a request to name Attorney George Decas of Middleboro a Special Municipal Employee of the Town of Marion. It was voted.

From the office of Gerry Studds, a request to Postmaster Kido to postpone any

From the Marion Planning Board agreeing to an extension in the case of DeRugeris vs the Marion Planning Board.

From South Shore Housing and Edmonds & Parker, a proposal to do a marketing study at a cost of $10,000. This was in answer to a request by selectman Hoagland for assurances that the Taber Hall Elderly Housing proposal would have sufficient support from the age group it was designed to serve. A member of the Study Committee stated that a survey had been completed at no cost to the town and members of the Committee would be willing to personally contact all who responded and get a definite figure for Mr. Hoagland with names and addresses.

From G.H.R. Analytical a report of tests taken in the Indian Cove area, also Island Wharf, Silvershell Beach and Planting Island. Further testing will be done at Island Wharf but it was assumed that counts were elevated because of the number of boats which discharge heads directly into the harbor. A discussion followed re: town sewer lines to be extended to Island Wharf for a pump-out station for boats. The toilets at the pavilion and at Barden's Boat Yard are on a cesspool which frequently overflows to the west of the Harbormaster's building.

From the State Department of Public Health, influenza vaccine recommendations.

Ralph and his wife, Frances, and members of their family were greeted by 45 friends and co-workers. "This is some surprise", said Ralph, "I thought this was a family evening out."

Water Commissioner Chairman Clifford D. Tripp served as Master of Ceremonies and introduced the Board of Selectmen, William F. Hubbard, Sr., John N. DeCosta and Bernard F. Talty; Water/Sewer Superintendent William T. Nicholson and Commissioner Donald C. Wood. Also present was retired Water Commissioner and Water Superintendent Charles A. Morgan.

Selectmen Chairman William F. Hubbard read a Certificate of Appreciation from the Board to Ralph citing, "His 20 years of service as Water Commissioner, six of those years also as Sewer Commissioner." Chairman Hubbard said, "In my nine years as Selectman I have met with all Boards and one of the most important jobs in this town is that of Water Commissioner. Ralph has served 20 years negotiating and working for our water supply at work

we never hear about."

Selectman John N. DeCosta thanked Ralph for his many years of service to the town. He recalled he served with Ralph on the Mattapoisett River Water Valley Committee since its beginning. "We are blessed with a great water system due to the Water Commissioners' dedication."

Selectman Bernard F. Talty thanked Ralph for his years of service and wished him and his wife happiness in their new home in Florida.

Water Superintendent Nicholson, who was a freshmen in high school when Ralph started as Water Commissioner, said he has enjoyed working with Ralph and wished him all the best in the future.

Chairman Tripp also expresed pleasure in having working with Ralph and wished him well in any new endeavor. The chairman introduced Joyce Lombard, Water Department Secretary, as "our boss" and the one who arranged the retirement party. Joyce presented Mrs. Wordell with a corsage. The guest of honor was presented with a gift of a belt buckle of the town seal etched in scrimshaw from all those present.

A plaque, presented by Chairman Tripp, read, "In appreciation for 20 years of outstanding dedication and service as Water Commissioner and Sewer Commissioner to the Town of Mattapoisett-1988".

In Ralph's comments to his well wishers, he said, "Talking about old times brings back memories. I will really miss the Water Department. As a young man with little experience I joined Winfield 'Win' Jenney and Roscoe 'Beanie' Barstow as Water Commissioner. They gave me their knowledge and taught me to carry on. Now the town

Q. **Will sitting too close to the television set harm my children's eyes?**

A. No, it is probably not harmful, but it is certainly not recommended.
A child who always sits two or three feet from the screen, however, may be nearsighted. If you spot your child doing this, take him or her to your optometrist for a thorough vision examination.

Sitting further away from the set has its advantages. The picture looks sharper and defects are less noticable. A distance at least five times the picture width is about right.

Also for more comfortable viewing, do not watch television in a dark room. Optometrists recommend soft overall room lighting. Be sure, however, that lights do not reflect on the screen.

and Bonnie Sargent, a graduate of Wells College and resident of New Haven, Connecticut, who has exhibited her work in the New England area and has won several awards of distinction. The crayon series she exhibits in "Small Works" depicts urban and suburban landscapes. Through the layering of color a richness of depth is achieved, giving a strong overall vibrance to the pieces. Kay Christy's work is more abstract and concentrates on themes; the study of time and space. The diversity of the four artists makes for an interesting exhibit on the walls of the two galleries at the Center.

A bold contrast to the small works are the very "large works" of sculptor Ron Rudniki. These assemblages combine natural elements like tree limbs with more geometric wooden shapes. He combines open segments with solid shapes to define space. Fine craftsmanship and imagination characterize the work of Ron Rudniki.

The show runs through September 28th. Gallery hours are Tuesday through Friday, 1 to 5, and Saturday 10 a.m. to 2 p.m. There is no admission charge.

could be a repeat of the storm of 1938. Because there are so many more homes in very sensitive shore areas now than there were in 1938 the result of a severe storm could be catastrophic. Maps will be distributed showing flood areas and areas impacted by previous storms. The Emergency Shelter which is located at Sippican Shool will be manned by a volunteer team which is presently being organized. If the storm is determined to be tracking towards Marion, measures will be taken to evacuate those in the danger areas. Those refusing to be evacuated will be notified that no personnel will be ordered to work at evacuation at the height of the storm. Names of next of kin will be taken to alert the residents as to the seriousness of the situation. Hopefully, the heavy weather will not develop but residents must be made aware of the serious possibility of life and death decisions. All are urged to attend - Thursday, September 1st, 7:30 p.m.

ships were built between 1822 and 1877 when Mattapoisett was world-famous for its shipbuilding expertise.

In the winter when shipbuilding was slowed down, many of the men used their carpentry talents to build their houses and add their creative ideas to the interiors. Many of these homes still stand and are much loved by their occupants.

As mentioned before, there were 300 men who worked in the shipyards during Mattapoisett's heyday as a shipbuilding port. Each of these men was allowed to take home the chips that they had removed from the timbers that went into a ship's hull, thus providing fuel for their stoves and obliterating potential litter. Oh, if we could solve part of our litter problem as easily today.

The Museum is at Church and Baptist Streets and is open from 1:00 to 4:30 p.m. Tuesday through Saturday until September 3rd. The Museum's new tiles are available as well as cup plates of the "Acushnet", the 1907 history of "Mattapoisett and Old Rochester", copies of the 1856 map of Mattapoisett, and other publications.

Don't miss this exhibit. It is most worthwhile and shows a heritage of which we can be most proud.

Letters to the Editor

The Board of Directors of the Mattapoisett Council on Aging wishes to thank the many senior volunteers who have given so many hours of their time in the past year. It is almost impossible to count the hours of volunteer time given each month in many different ways.

Each Monday through Friday there is a volunteer at the nutrition site helping to pack the meals on wheels and assisting with the meal serving to those who come to the site. There are volunteer drivers to deliver Meals on Wheels when necessary.

Every Friday a volunteer goes to the Mattapoisett Nursing Home and runs the bingo game for the residents.

Many seniors are teachers' aides during the school year. They help youngsters who are behind in their studies due to illness or other reasons.

We have a list of volunteers in the Council Outreach program. They are Friendly Visitors and available, even on short notice, to assist any elder who requests such a visit.

When surplus food is distributed every four months it is volunteers who do the packing and assist with the distribution.

There are several men who volunteer to drive the Senior Van both on short and long trips.

Members of the Board of Directors who plan the van trips and the long trips spend many hours making all the arrangements.

All of the above are channeled through the office. And, we must mention the wonderful service offered by FISH. Again the requests for transportation to the doctor or dentist come through the Council office. And many of the FISH drivers are SENIORS.

We want everyone in this SPECIAL TOWN OF MATTAPOISETT to realize what a great contribution our seniors are making through volunteering. We will always welcome new faces and new volunteers.

But, in the meantime a heartful of thanks to each and every one of you no matter how many hours you give of yourselves to others.

if they were his children or grandchildren.

But they are not his children. They are mine and my neighbors'. And, although we understand and support certain principles of tax limitation, we also know that some issues transcend economic concern. We see our children in contact with contaminated water on a daily basis. This is a moral and ethical issue to us and we will not be silenced until we prevail.

We place our trust in the people of Mattapoisett. We are privileged to live in one of the finest towns in the area. Part of what makes it "special", we believe, is that all taxpaying citizens are entitled to the same quality of life (including water).

Please carry your pride and dignity with you to the polls on September 27. See you there.

19th in Houston, Texas. Stephen, at 17, became the first Rhode Islander to accomplish this feat in a week-long series of 10 races in which he scored a low point total of 29½ points. His closest rival, Garrett Baum of the Ventura, California Yacht Club, scored 33¼ points.

Stephen, representing the Tiverton Yacht Club, has been sailing the sunfish class since he was 6 and has twice won the 17 and under title in the Narragansett Bay Association competitions.

His parents, John and Mary Majkut, and his brother, John Jr., all of Tiverton, accompanied Stephen to Houston and watched him sail to his victory.

Mary, who is secretary at Re/Max Realty Group if Mattapoisett, said that it was a great experience. The family watched the races from observation cruisers and had a great view of the course, she said. They were treated with such great hospitality by the Smythe Trophy hosts and were thrilled by the trophy presentation at the banquet held for the purpose. It was a marvelous trip for all of the Majkuts.

Little League All-Stars

Mattapoisett Little League All-Stars continued their run in the Wareham Invitational Baseball tournament August 20-21, winning two more games before falling twice to Wareham in the finals and finished second.

In the semi-final round against Plymouth South, the All-Stars took an early 6-2 lead. But starting pitcher Scott Gamache ran into trouble in the third when he loaded the bases with no outs. He was relieved by Andy Lynch, who pitched the All-Stars out of trouble by forcing a runner at the plate, striking out the next batter and getting Don Fretullo to ground sharply to Doug Motta at third. Lynch was overpowering in the fourth, striking out the side. But he couldn't find the plate in the fifth and

walked the first 3 batters he faced. Jeremy Medeiros relieved and was equally ineffective. He walked 3 more and Plymouth tied the game at 6-6. The Plymouth South club nipped Medeiros for two more runs in the top half of the sixth to take an 8-6 lead.

However, in the bottom of the sixth, Mattapoisett added yet another chapter to the dream. With one out and the bases loaded, Andy Lynch singled home Mike Tomasia. Homerun slugger Jeremy Medeiros then stepped to the plate and hit the first pitch over the fence in right to snatch an 11-8 victory for Mattapoisett. In a scene reminiscent of "The Natural", a stunned Plymouth South squad watched in silent horror as 4 runners crossed the plate while a delirious Mattapoisett crowd went wild.

In the final rounds of the winners' bracket on Sunday, Mattapoisett bested Sandwich 9-3 behind the solid pitching of 11 year old Andy Lynch. The crafty lefty struck out 11 and walked but one while yielding 7 hits. Powerhouse Medeiros stroked his second grand slam in as many games in the fourth and Doug Motta went 2 for 3 and scored twice.

The Mattapoisett Free Public Library concluded its summer programs for children with the Bedtime Story Hour on August 24th. Winners for the Summer Reading Programs' "seashell" guess were announced at that time. A total of 2,035 "seashells" had been placed in the jars on the desk in the Children's Room -- each shell represented a book read by a "shark" in the Summer Reading Program, BE A CARD SHARK. "Trauma" topic for Cable Show

When someone suffers a traumatic injury, the first few hours of treatment can mean the difference between life and death.

Emergency staff from Tobey Hospital, along with emergency medical technicians from local towns, will show just how important this treatment is in a special Cable television show on "Preventing and Treating Trauma".

The show, part of Tobey's monthly cable television series, will be aired on Tuesday, September 6th, at 7:30 p.m. on the Bay 8 Cable Channel.

The show will depict the entire process of trauma care, from stabilizing the patient on-the-scene, by local Paramedics and EMTs to treatment by trained emergency staff in Tobey Hospital's Emergency Department. Tobey's staff of Emergency Physicians have all completed residencies in emergency medicine and received special training in trauma care.

Dr. Drew Remignanti, Chairman of Emergency Medicine at the hospital, and Don Gfroerer of the Wareham Emergency Medical Services will be among the featured speakers during the program, which will include tips on trauma prevention as well

What Buzzards Bay Means to Me

The following essay won Honorable Mention for Adrian Brazil, Grade 6 student at Sippican School, in the contest held in conjunction with Buzzards Bay Day.

This concludes the series of prize-winning essays by local students.

WHAT DOES BUZZARDS BAY MEAN TO ME

It means a peaceful area where you can spend the day. You can fish, swim, boat, or just rest at a beach. The best thing is the beauty. If you haven't watched a sunset or sunrise you have missed something special. It should be taken better care of because fish are dying, plants are being destroyed. People destroy the animals, plants and all life around it, but with a lot of work it can be more beautiful than ever.

Learn to Square Dance

Learn to square dance; a free introductory lesson will be held September 14th at 7:30 p.m. at the Centre Methodist Church Hall, 46 Centre Street, Fairhaven, sponsored by Midd Town Twirlers Square Dance Club. For information call Doris Westgate at 995-9294.

Mattapoisett Kindergarten

OPENING OF SCHOOL-SEPTEMBER 7

On the first day of school, Wednesday, September 7th, an Orientation Day will be held for the Kindergarten students of Center School, Mattapoisett. For thirty minute sessions students accompanied by their parents will visit their assigned Kindergarten classrooms. Classroom assignments will be posted on the bulletin board at the Barstow Street entrance to the school. During the half hour session parents will meet with the classroom teacher while the children visit with classmates and explore their classroom.

Parents who have not completed their child's registration are asked to bring the certificate of birth and required health data (medical examination) with them on this day. Registration can be completed in the office prior to or after the orientation session.

Thursday, September 8th, will be the first day of instruction for Kindergarten students. Students will be bused as per Center School bus schedules published. (See last week's Presto, August 24th.)

STUDENT RECORDS AVAILABLE

Old Colony Regional Vocational Technical High School has informed, via postcards, the graduates of the classes of 1980, 1982, 1983 and 1986 of the eventual destruction of their student records which have been maintained by the school system. The records contain significant information which may be of importance in the future.

In accordance with the Department of Education regulations, different parts of the records will be destroyed at two points in the future. The majority of this information will be destroyed after September 9, 1988.

The following information will only be destroyed after sixty years:

- Identifying information regarding student and parents or guardians.
- Course titles and grades received.
- Grade level completed and year completed.

Graduates have the right to examine and receive a copy of any or all of the above information at any time prior to its destruction.

Records cannot be mailed due to the prohibitive cost. Arrangements can be made with the Guidance Office to pick them up by calling 763-8011, Ext. 26.

Business Women's Assoc.

MEMBERSHIP DRIVE

The Greater New Bedford Chapter of the American Business Women's Association is pleased to announce that beginning September 1 through October 31 they will be conducting their annual membership drive. The ABWA is a non-profit educational organization for women. They hold monthly dinner meetings, usually on the first Wednesday, and provide informative speakers. James Sullivan of the Small Business Development Center at Southeastern Massachusetts University spoke at the August meeting on "The Future of Women in Business". Mr. Sullivan explained that, "95% of working women are in the service industry, and women have dominated in scholastic achievement, which will cause a higher percentage of women entering executive positions than men." He also

Starting in 1935 on the Taunton School Committee, John Parker has provided over 50 years of public service. He was Mayor of Taunton from 1947 to 1954 and Republican State Senator from 1952 to the present. He was chairman of the Republican State Committee from 1965-1967 and has written two books on politics, "If Elected, I Promise", and "The Fun and Laughter of Politics". He is not seeking reelection this year and so will be retiring from the State Senate.

This dinner in his honor is put on by the Friends of John Parker, chaired by Republican State Committeewoman Jean Carter. Numerous Republican candidates will be there to rally the Republican cause. Tickets are $20.00 and are available locally through Toby Burr at 748-0541 days or 748-2194 in the evening. Tickets are available until September 1st.

Theatre One Productions

REGISTRATION FOR CHILDREN'S WORKSHOPS

Theatre One Productions Children's Theatre Workshop opens the door to many exciting and creative experiences. We believe that drama is a remarkable tool for developing the "whole" child. Participation in a drama group from an early age increases a child's self-confidence, self-awareness and ability to communicate and empathize with others. Students must be shown and guided through the limitless facets of polished stagecraft. From such beginnings, a path for the future is set for those of true talent and devotion.

TOP's Children's Workshops are a five-week course with the main objective of guiding children to develop and apply communication skills; Creative Movement, Literary Interpretation, Concentration, Poise and

Self-Confidence. Classes meet on Wednesdays from 4:30 to 6:30 p.m. and on Saturdays from 10 to 12 noon. This season an extra hour has been added on Saturdays (12:30-1:30) for "Speech", a course to expand the child's capacity to speak clearly with clear articulation. The foundation of the communication arts is the possession of excellent diction and pronunciation.

Registrations for the on-going classes at Theatre One begin September 7th at 4 p.m. Students must be between the ages of 7-15. Theatre One welcomes all children to this program. Forms and schedules can be obtained by calling Theatre One at 947-1880 or by writing to TOP's, P.O. Box 1238 in Middleboro, MA. 02346. The schedule this season includes: "Huckleberry Finn", "The Phantom Tollbooth", "Hans Brinker and the Silver Skates", "The Great Cross-Country Race", "The Princess and The Pea", "Raggedy Ann and Andy" , and "Pinocchio". All classes are subject to change because of student enrollment. Each workshop culminates in the performance of the work on the stage at Theatre One, which is open to the public.
